

International
Specialty
Brokers
Limited

International Specialty Brokers Limited is an independent brokerage in Bermuda, specializing in many lines of business. Below is a summary of the Healthcare market and its benefits.

Beware: “Judicial Hellholes”

Bermuda markets are not afraid of tougher jurisdictions, such as CA, FL, IL, LA, MI, NJ, NY, PA, TX and VA.

- Of these, 7 are areas where punitive damages are not insurable or accessible. Our markets can provide this coverage.

Rare Coverages

Accounts aren't won by premium alone. Below is a list of coverages that tip the scale in the favor of those willing to provide what some won't.

- Punitive Damages
- Batch Cover
- Integrated-Occurrence top-up, which allows for high batch claims

Classes of Business

Our markets don't only cover Hospitals and Long Term Care Facilities. Below is a list of other classes our markets have had success with.

- Miscellaneous Facilities
- Managed Care Facilities
- Physician Groups
- Reinsurance of Captives and Risk Retention Groups

Capabilities

- Maximum limit: \$25M - \$75M per market
- Primary capacity available
- Minimum attachment point of excess: \$1M - \$5M
- Coverage for hospitals with greater than 350 occupied beds
- Risk Management Services: Clinical Risk Assessments, Education Programs, Policy and Procedural Development, Risk Management Research and Publications, Risk Management Hotline
