

## Looking for Primary GL Capacity?

### Target Accounts

If your insured:

- Is a small to medium size business
- Has less than \$100M in annual revenue
- Presents a relatively short tail exposure
- Is being non-renewed or experiencing a change in terms

## Then we have the market for you...

### Parameters

- Limits: \$1M/ \$2M
- Deductibles: Vary
- Occurrence or Claims Made form
- E&S Capacity
- AM Best rated A (Excellent); S&P rated A+

### Success Stories

- Tire distributor – non-renewed by incumbent due to losses. Our market stepped up and wrote the account for a relatively modest premium increase. Coverage includes the products liability exposure.
- Stove top manufacturer – non-renewed due to underwriter concerns with a segment of the product range. Coverage was replaced with our market at favorable terms and conditions.

International Specialty Brokers Ltd. (ISBL) is here to meet all of your international/E&S insurance needs. ISBL is a multi-disciplined broker providing a range of quality products and services and seamless access to the international insurance marketplace, with access to over \$400M in capacity.
